"Blessed is he who has
regard for the poor"

Psalm 41:1

The Joy of
Generosity

Dear Friend,

Our joy and excitement grows as we prepare to celebrate the birth of our Savior Jesus, who came to earth and became poor so that through His poverty we might enjoy richness in every aspect of our life.

God Himself showed His greatest act of generosity when He gave us His one and only Son, and He wants us to share our love and blessings freely so that we can experience the joy of giving.

In this Gift Catalog you will find many opportunities to participate in expanding God's Kingdom among the Treasures.

You might want to consider giving a gift to a Treasure on your own behalf or on behalf of a friend or loved one. To notify someone of your gift, you can print a gift certificate when you give on-line or request an electronic gift certificate by contacting us at **phafamily@pottershouse.org.gt**

Merry Christmas and a blessed 2014!

On behalf of Edgar, Gladys, the staff and the Treasures.

Evangelism and Discipleship for Children

Our children need to know that God loves and cares about them. They need to be taken on a journey where they can learn that Jesus can replace pain, desperation, misery and loneliness with love and hope. Your gift will allow a child to be part of a daily devotional in a small group and a special larger meeting once a month.

Medical Clinic Right in the Garbage Dump

Our Treasures who work in the garbage dump cannot afford to miss a day of work to get medical care, so we serve them where they work. Your gift will provide staffing and medicine for one weekly clinic for 15 patients.

Expanding our reach in the dump Community

To increase our impact from 200 children to more than 800 children not only from our Education Program but also from the community, we have partnered with local churches to launch two **Community Centers**. Through them we provide children with nutritious snacks, spiritual guidance, health care, special activities and distributions of clothing and groceries on a weekly basis.

Help a Woman become Self-supporting

With no education and a job history of scavenging in the dump or domestic work, women have little opportunity to improve their families' quality of life. Your gift will allow us to fund one month of operation for jewelry-making classes and workshops designed to teach and motivate them to make their businesses more competitive and sustainable, and will give a woman another source of income.

Care for the Staff

The greatest asset PHA has is its staff. They are Jesus' hands and feet. They serve the Treasures every day of the year, but fighting poverty is physically and spiritually exhausting. Also the garbage dump environment is very polluted. All those factors combine to cause health problems for our staff. Your gift will provide good health care for one member of our staff for a month.
